New App Gives You

INSTANT ACCESS

To Your Health Information

MyMercy website or mobile app lets you see or print lab and radiology results, medications, visit history, discharge/aftercare information, appointments, and more.

Use MyMercy to request prescription renewals, arrange an appointment, or ask your physician a question online instead of calling the office.

Our Business Office, Registration Staff or Records Specialists can help you get started on MyMercy or answer your questions about medical records.

See us in the hospital or clinic!
