Routine Care & Coronavirus Care - We Care!

Routine Care

Except for initial screening, all departments of the hospital and clinic are operating normally. See us by appointment or by dropping in. The food pantry and Legacy Park also are open.

Coronavirus Care

If you have symptoms of COVID-19 (fever, cough, muscle aches and shortness of breath): First, discuss your symptoms with the State Health Department Hotline, 877-215-8336.

Next, if the Hotline operator recommends medical care for COVID-19, call ahead to your primary care provider at the clinic at (580) 276-2400, or the hospital at (580) 276-3347 so you can be met upon arrival. We're here 24 hours a day.
