EMS/Fire Brigade Operations Chief Builds a Solid Career

Operations Chief Brandon Dunmon, Firefighter/Paramedic

As one of only three Operations Chiefs in the department, Brandon Dunmon has responsibility for fire, ambulance, and casino first aid operations during each of his 48 hour shifts.

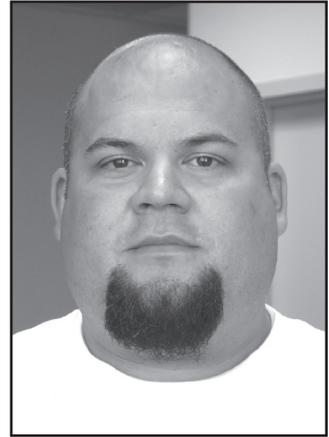

Dunmon also is the department's technology officer. He equips the two emergency stations with computers, ambulance laptops, cameras, and shortwave radios, and he trains crew members in their use. He also is in charge of employee benefit enrollments.

Dunmon's ability to, as he says, "learn new material and pass it on" was recognized early in his career. After joining the department as a paramedic at Station 2, Winstar Casino, in 2008, he was promoted to continuing education instructor in 2012 and to captain in 2013.

Fire and paramedic response has been Dunmon's life's work. He joined the volunteer fire department in his hometown of Leonard, TX, at age 18 and still volunteers there. He then secured paramedic licensure and worked for another ambulance company for three years before joining Love County EMS/Fire Brigade.

"This is all I know. It's not an office job and the different calls we receive require us to use our skills," Dunmon said.

He and his wife, Angela, a school nurse, have a 15-year-old son, D.J., and 8-year-old twins, Brenlen, and his sister, Brenley.
