## **Primary Medical Care by Joe Witten**

**Dr. Joe Witten, D.O.  
Family Physician**

Dr. Joe Witten, D.O., is a family physician serving children, adolescents, and adults. For an appointment, call (580) 276-2400.

He joined our clinic in 2016. "My family and I love being here. People are caring. They go out of their way to help their neighbor," Witten said of his coworkers and the community. His wife, Ann, is from Durant. They have a 10-year-old son, Zachary.

Dr. Witten's career as a physician covers 18 years. None of it may have happened without the chance discovery that he is colorblind. "I entered the Navy at age 19 wanting to be trained in electronics. Tests showed I was colorblind and the Navy trained me to be a medic instead," Witten said. "I loved being a medic. It spawned my interest in medicine."

Honorably discharged in 1991, Witten went on to the University of Oklahoma for a bachelor's degree in microbiology. He received a Doctor of Osteopathic Medicine degree from Oklahoma State University in 2001. He completed a family practice residency at St. Anthony Hospital in Oklahoma City in 2007. He is Board Eligible in Family Practice.

His prior experience is in clinic care, urgent care, and a physician house call practice elsewhere in Oklahoma.

"I owe my continued interest in the medical field to my patients," Witten said. "They allow me the enjoyment of feeling I can help people."
