- Symptoms of coronavirus are fever, cough, muscle aches and shortness of breath.
- If you think you are infected, stay home and isolate yourself from others to keep the disease from spreading.

Follow Health Department Guidance

- Call the State Health Department Hotline, 877-215-8336, to discuss your symptoms.
- Follow their advice regarding medical care.

Call Ahead for Medical Care

- Call your primary care provider or the hospital before you get medical care for coronavirus. Our main number 580-276-3347 is answered 24 hours a day.
- Let us guide you on where to enter the building, as we strive together to limit exposure to others.
- Be sure to get medical care if you have trouble breathing or if you have other emergency warning signs, or if you think it is an emergency.
